

SWHS ALUMNI MEETING
THREE RIVERS RESTAURANT

9-30-94

A meeting was called to discuss the Sedro-Woolley High School Alumni Class funds.

Those in attendance: Pat Healy Nicholson, Mary Jackson Ketchum, Carlyle and Jackie Atterbury, Gene Johnson, Doreen Utley Brown, Lola Wood Ellestad, and Kathy Nicholson Earnst.

A few of us got together to discuss the funds that have been collected to start a scholarship fund. We discussed how we should promote the idea and who to contact.

The Class of '42, '43 and '3⁹~~8~~ have collected approximately \$1,700. and it should be combined and invested if that is the desire of each class.

Several options were made.

Gene will contact the Sedro-Woolley High School for information that they have to form this kind of an association. We asked Pat to rough draft a letter that could be sent to all SWHS students.

Lola is to put a notice in the newspapers to have people contact Mary Ketchum, Doreen Brown, or Lola Ellestad with the information of class members and addresses.

When this is received, we will have a letter to all graduates.

Lola is to call Bill Stiles, Eldon Benhan, Borgny Heyntsen, Ann Stiles, Cliff Price and others that she feels will be interested.

Bill Stiles and Eldon Benham should bring a draft of what we have in our funds and a draft of what we should do in the future.

We will need a Board, Trustees of the fund, and other volunteers as needed.

10-1-94 --- I sent letters to Skagit Valley Herald, The Argus, The Courier Times, Anacortes American and the Bellingham Herald.
