

SEDRO-WOOLLEY HIGH SCHOOL ALUMNI ASSOCIATION
4-17-13, 1:00 P.M.
Membership meeting Sedro-Woolley Senior Center.

Rob Taylor opened the meeting and welcomed all that are here today.

Attendance.... 15

The minutes were read and approved as read.

FINANCE COMMITTEE REPORT: Jerry Jewitt reported that they recommended that we present \$1,500 to the students this year. Pat Hyatt questioned if we had the \$2,000 mentioned in the scholarship application. That would be her only concern.

Jerry Jewitt had questioned if the PayPal account information went directly to Bonna and the financial statement to the treasurer. Lola stated at this time Joanna received the membership payment information and this is forwarded to Bonna Beitler the assistant treasurer. Jerry felt that since Joanna has resigned all information should go to the treasurer and the assistant treasurer. Lola will need to check into that. The financial committee plans to meet with Eric in May.

ASSISTANT TREASURER: Brenda McGee reported the deposits and the number of picnic payments.

SCHOLARSHIP COMMITTEE REPORT: The committee will be meeting following this meeting and Lola will announce the names at the next meeting. Lola will check to see if there are places that we have published that the students will be receiving \$2,000 scholarships. She will announce the names at the next meeting. She will prepare the certificates and send information to the school. Brenda McGhee thought we could have a picnic sign and jar where people could give to the Scholarship Fund.

WAYS & MEANS COMMITTEE: Pat Hyatt announced she has talked to Thompson's Nursery and they will deliver the geraniums early on May 4, 2013. She will put the article in the Herald and Judy will put the information in the Concrete paper. The price will be \$3.50 per plant. Food needs to be in Ziploc bags or wrapped and sealed in Clear wrap, etc. Pat will pass around a list for people to sign up for cookies, breads, etc. that they plan to bring so she will have a picture as to what to expect. Lyle McClure and Verna will furnish the wood for the fireplace and they will help cashier. Sale will be at the Pioneer Building.

MEMBERSHIP COMMITTEE REPORT: Judy Johnson thought news information could be put on the blog. This will be read by the email membership people.

PICNIC REPORT: Barbara reported that Bob Dow cannot be the MC for the picnic but he suggested that Rob Taylor be the MC and Rob has accepted. Barbara has received information that she has two golf carts. Price was \$125 per cart plus \$20 pickup and delivery. She has Les Huggins for one of the drivers. Tony Splane called and he will be bringing his golf cart because he had a good time driving the people last year. We now have seating on golf carts for seven people. We will need to wrap the silverware at the next meeting. This way we save a considerable amount of money. Pat Hyatt's son and friend will not be able to haul the tables and chairs. Pat will try to contact a friend to help and also Rob suggested we ask for student volunteers to help. Judy will put a picnic article on the Blog.

Meeting adjourned. Lola Ellestad Secretary
