

**SEDRO-WOOLLEY HIGH SCHOOL ALUMNI ASSOCIATION**

**August 21, 2013 1:00 p.m.**

**Membership Meeting Sedro-Woolley Senior Center**

Robin Taylor, president opened the meeting.

Each attending member received copies of the previous meeting. Jerry Jewett made a motion to approve the minutes. Bonna Beitler seconded the motion. Carried.

FINANCIAL ASSISTANT REPORT: Bonna gave the report through July 31, 2013.

Robin reported that Brendan McGoffin gave a good attempt to proceed with the festival elevation scholarship fund raiser but did not have enough applications. He will try to work with the ASB to schedule it later during the school year.

PICNIC INFORMATION: Jerry Jewett has checked the price of two tents for next year's picnic. The cost is \$900. He previously talked to Wal-Mart and now he has talked to Safeway. Safeway has 5 tents but we would need to pick up, set up and return. He thought that maybe local businesses might sponsor a tent at the picnic.

Lola reported the old City Hall is being renovated so there is not storage rental room in that building.

Jerry Jewett wondered if the Kumtux Journalism Class could help with some of our work.

Raider Ytgard said that last year he had attended a school sponsored Veteran's Day program. It was held in the High School gym. Maybe some of our members should attend this November.

We could invite faculty or ASB officers to speak at our meetings. Need to contact State Street High School. This all would benefit our SWHSAA.

A motion to adjourn was made by Jerry Jewett. Seconded. Carried.

Lola Ellestad, Secretary
