Picnic information: Tents not secured.

Sally Rauch has offered to provide a program for the picnic. Barbara asked the City for their concerns. They thought it was a good idea to use the facility.

Bonna Beitler reported 68 people have sent in picnic reservations: \$240.00; Dues\$150.00; Lifetime membership, \$100.00; Memorials: 50.00 and Donations: \$50.00; Total deposit for May....\$590.00.

The price of picnic lunch will still be \$15.00 and \$20.00 for late registration Bonna suggested we think of someone to sell raffle tickets to the picnic crowd.

Barbara will write an article for the Newsletter. Golf carts will be \$165 for 2 plus delivery fee.

We should give the public an opportunity to sponsor a cart. Dale Thompson will have his truck and trailer available to haul tables and chairs from the Senior Center to the Riverfront Park. Rob wondered if we could get some students to help with the setting up of the tents and placing the tables at the park.

Lola listed those receiving scholarships: Joseph Carlson 2010, Law Enforcement; Kayti Fitzgerald 2010, Dental Hygiene, Breanne Gilbert, 2013 Nursing Program; Codi Rolph, 2013 Law Enforcement.

It was announced that Donna Crawford Benham and Ann Stiles (wife of Brian Stiles) had passed away. Cards will be sent to the family.

FINANCIAL COMMITTEE REPORT: They are looking into a plan to change some of the investments. We need a plan to raise more interest for the Scholarship Program. We will need to be a little less conservative.

We wrapped 600 units of silverware.

Adjourned.
