Pride Plaza Project

The Sedro-Woolley Alumni & Schools Foundation's mission is to operate exclusively for charitable and educational purposes and to improve the quality of public education; providing a means for such improvement for the Sedro-Woolley School District.

The Foundation is asking for your financial support to enhance education for the children in our district. The funds will be used to support programs in areas like libraries and literature, counseling and vocational, science and math, fine arts and music, technology and agricultural, educational and teacher grants, and extracurricular activities.

The Pride Plaza Project

By purchasing a paver and becoming part of the project, you are helping the Foundation raise funds, as well as, enhancing the busy area in front of the high school gym. Buy one with your child's name, your family name, your business, or in honor of a great teacher! Your contribution is a permanent tribute to the support of our children's education.

The cement brick pavers will be laid by the main entrance to the high school gym. What a wonderful way for us to beautify our campus and build for the future. Become a permanent part of the next Pride Plaza paver installation, scheduled for mid-May, by returning the attached order form today!

HOW YOU CAN SHOW YOUR SUPPORT:
